

ELIZABETHTOWN AREA WATER AUTHORITY SUMMER HIRE

The Authority's Summer Hire is responsible for performing manual tasks that are required to properly maintain and operate the Authority's facilities, including buildings, exterior spaces and distribution system. This job requires light and heavy physical labor and indoor and outdoor work consistent with the operation of the Authority. This position may require the use of power tools and vehicles. Evening and weekend work may be required.

Specific Duties:

- Assist with installation and repairs to the water treatment and distribution systems.
- Mow and trim grass as needed; remove brush from Authority properties and stream banks; water seasonal plantings.
- Wash and service vehicles and equipment as needed.
- Perform routine maintenance and monitor the use and condition of the Authority facilities.
- Keep Authority buildings clean and in organized condition; keep supplies and equipment in a neat and orderly fashion.
- Paint fire hydrants, piping, and other Authority property as directed.
- Perform other related work as required.

Required Skills:

- Knowledge of hand tools and their proper use.
- Capable of following instructions and directives.
- Ability to work compatibly with fellow employees and general public.
- Ability to work independently.
- Ability to lift and carry heavy bags, supplies and other equipment up to 100 lbs in weight.
- Ability to use small tools and machinery including a small chain saw.
- Ability to routinely climb into and out of vehicles and other Authority equipment for operation and maintenance.
- Ability to climb into and out of trenches in order to inspect and complete Authority projects.
- Ability to stand and work outdoors for lengthy periods of time.
- Ability to perform light and heavy physical labor, lifting and indoor and outdoor work as consistent with the operations of the Authority.

Job Qualifications

- 17 years of age, a rising High school senior or graduate or equivalent, college student
- Valid PA Driver's License
